Re: *Nova Chemicals Corporation (Canada) et al v. Dow Chemical Company*, C.A. No. 13-1601-LPS

Dear Chief Judge Stark:

Oral argument on the motion for sanctions is scheduled for tomorrow at 11:00 a.m. I was intending to argue on behalf of Nova and its counsel. As I advised Chambers this morning, I was diagnosed yesterday with pneumonia and have been instructed to stay home for a good part of this week to recover. Dow has graciously agreed, subject to the Court's approval, to reschedule the oral argument.

I understand this is an inconvenience to the Court and counsel. This is the first time in my career I have made such a request, and I do not do so lightly. But my clients would be best served if the Court would entertain my request to reschedule argument. If the Court needs any further information, I would be happy to provide it. Thank you.

Respectfully submitted,

/s/ Collins J. Seitz, Jr.
